

The Staff

Apply your knowledge of the staff to do the following exercise.

In the two staves below, **trace the clefs then draw them 6 times** to your best abilities. Below each staff **fill in the blank identifying the clef.**

_____ Clef

_____ Clef

In each measure there are two notes. Determine whether the second note is higher or lower than the first note. Use **H** for higher and **L** for lower when recording your answer in the provided space below the staff.

Draw a note that is either higher or lower than the first based on the L or H below the measure.

L L H H L H L
